To reach a web page that references the Applicant's Ultimate Polo Shirts designated as "Ultimate Polo" or "Women's Ultimate Polo" from the Applicant's home page, it is necessary to take one of several paths through the website, including:
  - (i) Clicking on "Shop Online," and then on the left hand side of the next page (see Document T511) "shirts." Then a new web page appears (see Documents T512-T519) with a picture and description of numerous of the shirts the Applicant offers for sale, including the "Women's Ultimate Polo" and the "Ultimate Polo;" or
  - (ii) Entering an appropriate search term, such as "Shirt" or "Polo" or "Ultimate Polo" into the search window near the bottom right hand corner of the Applicant's

home page (See Documents T509-T510). Then, another web page appears, similar to that depicted in Documents T512-T519, in which pictures and descriptions of numerous of the shirts the Applicant offers for sale appear, including the "Women's Ultimate Polo" and the "Ultimate Polo"; or

- (iii) Clicking on "On-line Catalog," and on the next web page, selecting "Shirts" in a "Browse by category" menu. Then, another web page appears, which returns a search result of all the shirts that the Applicant offers for sale, and displays 8 shirts per page. The search results may be browsed through to view the pages where the "Women's Ultimate Polo" and the "Ultimate Polo" are displayed; or
- (iv) Clicking on "On-line Catalog" and simply browsing through an online version of the Applicant's paper catalog.

The Ultimate Polo!

SALE MADNESS !! Buy 2 polos and get a 3rd one FREE.

Made from the softest 100% cotton pique we've ever come across, this short sleeve polo has all the features of more expensive shirts. The 200gsm fabric, for example, means that it won't twist or warp in the wash. It's generously cut and has a long base, so it won't come out if you tuck it in, and straight hemmed so it'll look smart if you prefer it hanging loose. Double stitching across the shoulders, neck and base ensure that it'll wear well too. Other touches include colour-matched buttons and non-sag banded sleeves. The only thing this polo should have but doesn't is a high price!
